Note of telephone conversation between Wendy Coulter (Committee Administrator) and Sue Petzold (Investigating Officer) on Tuesday 20 June 2006

The Investigating Officer telephoned Wendy Coulter, Committee Administrator at Farnham Town Council, on Tuesday 20 June 2006 to ask her if she could recollect whether there was any discussion at the Plans Panel meeting on 18 August 2005 on the question of whether Councillor Mrs Mansell should declare an interest in planning application WA2005/1561.

Wendy Coulter stated that she could not remember if Mrs Mansell had asked a direct question about whether she should declare an interest, but confirmed that if Mrs Mansell had done so, she would advised her to err on the side of caution and declare a personal interest.

Wendy Coulter also confirmed that the wording of the objection to the application was formulated by Councillor Mrs Susan Farrow, in the light of the discussion. Mrs Farrow quite often took on this role at meeting of the Plans Panel.

I confirm that this is a correct record of the telephone conversation on Tuesday 20 June 2006.
